

Cree® High Brightness LED Product Label Change Notification

Customer Name: All High Brightness LED customers

PCN Reference Number: CREE-PCN-0855

Date Issued: August 12, 2019

Please be advised that Cree has qualified a Minor change to all High Brightness (HB) LEDs and that we will begin shipping the affected products with the change immediately after the PCN Issue Date.

Please review the additional PCN information below.

Affected Product

All HB product series are affected by this Minor change.

Description of the Change

The label format has been changed to add the Cree Master Number to the label.

Examples are shown below:

Current Label Format:

New Label Format:

Reason for the Change

This change is to comply with the Regulation of the People's Republic of China on the Implementation of Customs Administrative Punishment (Article 15).

Change Impact on Form, Fit, Function, or Reliability

We will begin shipping the affected product with the change immediately after the PCN issue date and customers may then receive goods with new packaging.

This change has no impact on the form, fit, function, or reliability of HB LEDs.
