E-mail: pcn.eisos@we-online.de

DESCRIPTION OF DISCONTINUANCE:

Because of realignment of our LAN Transformer Product Portfolio, we will phase out following molded LAN Transformer types:

- 749010001 10/100 Base-T SMD Transformer 1/2 Port MSL 4
- 749010010 10/100 Base-T SMD Transformer 1 Port MSL 5
- 7490100110 10/100 Base-T SMD Transformer 1 Port MSL 4
- 7490100118 10/100 Base-T SMD Transformer 1 Port MSL 4
- 749010013 10/100 Base-T SMD Transformer 1 Port MSL 4
- 749010014 10/100 Base-T SMD Transformer 1 Port MSL 4
- 749010016 10/100 Base-T SMD Transformer 1 Port MSL 4
- 749010018 10/100 Base-T SMD Transformer 1 Port MSL 4
- 749010040 10/100 Base-T SMD Transformer 4 Port MSL 5
- 749010043 10/100 Base-T SMD Transformer 4 Port MSL 4
- 749010044 10/100 Base-T SMD Transformer 4 Port MSL 4
- 749020010 10/100/1000 Base-T SMD Transformer 1 Port MSL 5
- 749020011 10/100/1000 Base-T SMD Transformer 1 Port MSL 5
- 7490200110 10/100/1000 Base-T SMD Transformer 1 Port MSL 4
- 749020013 10/100/1000 Base-T SMD Transformer 1 Port MSL 4
- 749020014 10/100/1000 Base-T SMD Transformer 1 Port MSL 4
- 749023010 10/100/1000 Base-T SMD Transformer 1 Port PoE MSL 5
- 749090010 10 Base-T SMD Transformer 1 Port MSL 4
- 749090011 10 Base-T SMD Transformer 1 Port WE-LAN MSL 4
- 7490900114 10 Base-T SMD Transformer 1 Port WE-LAN MSL 4
- 749090012 10 Base-T SMD Transformer 1 Port WE-LAN MSL 4
- S0310176 10 Base-T SMD Transformer 1 Port WE-LAN MSL 5
- S0410056 10/100 Base-T SMD Transformer 1 Port WE-LAN MSL 5
- S0410097 10/100 Base-T SMD Transformer 4 Port WE-LAN MSL 5
- S05100032 10/100 Base-T SMD Transformer 1 Port WE-LAN MSL 5
- S06100004 10 Base-T SMD Transformer 1 Port WE-LAN MSL 5

ALTERNATIVE PRODUCT/SOURCE:

Instead of molded parts we are offering Open Header parts (MSL1):

- 749010001 ->no alternative
- 749010010 ->749010012A
- 7490100110 ->7490100110A
- 7490100118 ->no alternative
- 749010013 ->7490100111A
- 749010014 ->7490100111A
- 749010016 ->749010018A (not for sales in the US market)
- 749010018 ->749010018A (not for sales in the US market)
- 749010040 ->749010040A (not for sales in the US market)
- 749010043 ->no alternative
- 749010044 ->749010040A (not for sales in the US market)
- 749020010 ->749020010A
- 749020011 ->749020011A
- 7490200110 ->7490200143 (without Common Mode Chokes, not for sales in the US market)
- 749020013 ->749020011A
- 749020014 ->749020010A
- 749023010 ->749023010A
- 749090010 ->alternative available middle of February
- 749090011 ->no alternative
- 7490900114 ->no alternative
- 749090012 ->alternative available middle of February
- S0310176 ->alternative available middle of February
- S0410056 ->no alternative
- S0410097 ->749010040A (not for sales in the US market)
- S05100032 ->7490100111A
- S06100004 ->no alternative

Samples are available on request with a lead-time of seven weeks

RESTRICTIONS AND WARNINGS FOR MOLDED PARTS:

- Burrs and Flashes <0.1 mm cannot be complaint.
- Only one time reflow soldering allowed
- No vapor phase soldering allowed
- All LAN Transformer products are not allowed for use in automotive applications
- No temper process allowed after unpacking
- Solder thickness should be a least 120 µm
