

## Customer Information Notification

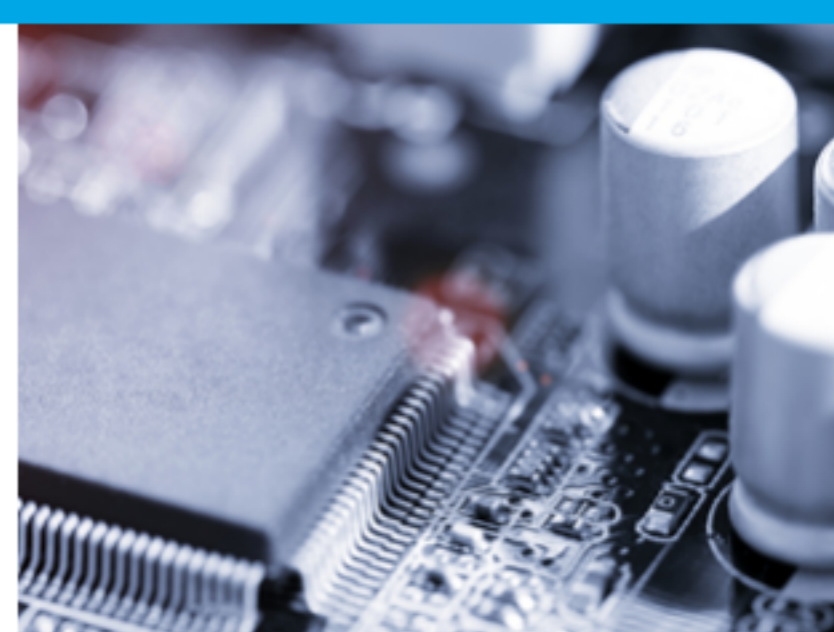

PCN number CIN 2020020001

Issue Date:2020-02-14

Effective Date:2020-04-02

Dear *Customer*,

Here's your quality information concerning products our customers and partners purchased from WeEn.

### Management Summary

Optimize the label of internal packing, add the orderable part type in the line (3P) of label.

### Add the Orderable Part On The Label

### Information Notification

Optimize the label by adding orderable part as Line (3P). For the details, please refer to the report enclosed.

#### Why do we issue this Information Notification

With additional information of orderable part on the label, it benefits our customers while doing product incoming confirmation.

#### Identification of Affected Products

It is only the label optimization. No change on the products.

### Impact

#### Data Sheet Revision

No change to data sheet.

#### Disposition of Old Products

No change on the products.

#### Production

The label optimization will be implemented after 2nd-April-2020.

### Additional information

Affected products and sales history information: see attached file of Product List.

See attached file of Self-qualification Report.

### Remarks

Should you not be able to obtain these documents, please contact your WeEn sales representative or the e-mail address mentioned below under Contact and Support.

### Contact and Support

For all Quality Notification content inquiries, please contact your local WeEn Sales Support team.

For specific questions on this notice or the products affected please contact our specialist directly.
